

UNITED STATES
CIVILIAN BOARD OF CONTRACT APPEALS

March 11, 2014

CBCA 3324-TRAV

In the Matter of MATHEW K. ANDERSEN

Mathew K. Andersen, Devils Lake, ND, Claimant.

Michelle J. Bartlett, Office of Counsel, United States Army Corps of Engineers, Alexandria, VA, appearing for Department of the Army.

STEEL, Board Judge.

This case arose from the denial of certain per diem reimbursements and the agency's assertion of a travel debt due to temporary duty travel (TDY) which exceeded 180 consecutive days of travel without prior approval.

On March 10, 2014, the claimant filed a request that the case be dismissed, stating that a retroactive waiver for the TDY travel at issue has been approved.

Accordingly, the case is hereby dismissed.

CANDIDA S. STEEL
Board Judge
